

نيوم NEOM

May 4, 2026

To Whom It May Concern,

LUME Office has been a trusted partner to the MAGNA (NEOM) Project since 2023, providing high-quality rendering services for masterplan and asset design. Their work consistently utilized the latest visualization technologies, including Digital Twin solutions, and was delivered to an exceptional standard.

In addition, the LUME team provided VVIP and public large-scale exhibition planning, programming, and development services for MAGNA, executed at the highest level. Their contributions were highly regarded by both the project team and senior management.

We confidently recommend LUME Office as a reliable and highly capable partner.

Sincerely,

04-May-2026

Daria Menyushina
